Dear Editor

I am writing to correct a misconception that has been created by the letter from a member of Citizens Hope Company of Dillsburg which was published on Tuesday, February 20th. The letter stated, "and may soon be providing primary ambulance service to Monroe Township." This statement gives the impression that the Company may be providing service to all of Monroe Township, this is not correct.

Monroe Township does not have its own ambulance company and looks to the surrounding municipalities to provide emergency medical service. At the present time there are Upper Merion, Silver Spring, South Middleton, Mechanicsburg and Allen, Silver Spring. The response area for each Ambulance Company has been selected to ensure that, in most cases, the nearest ambulance or the one with the shortest response time is sent.

In February, a meeting was held to discuss the possibility of Dillsburg being assigned as the first due ambulance for a small portion of the area currently taken by Upper Allen, as meetings have yet taken place and area has not been changed at this time. I must therefore stress to the residents of Monroe Township currently serviced by Upper Allen Ambulance Association that no changes have been made in the ambulance response.

Clark selected to All-Star Team

Former Northern York County basketball player, Teresa Clark, a Messiah College Junior and top scorer on the women's basketball team, was honored this week with an All-Conference selection to the Middle Atlantic Conference Northwest All-Star Team. Clark, a 5'10" forward from Weirville, was part of a Messiah team that finished the year at 14-10.

Clark's 16.1 points a game led Falcon scorers and ranked her third in the MAC Northern division in scoring. She was also the most accurate shooter on the team with 48.6 field goal percentage. At the other end of the court Clark was dominating. Defensively, her 32 steals and close to 9 rebounds a game (fourth in the MAC), was the main force behind opponents averaging only 60 points per game against Messiah.
